

ENGAGE Project 2014-2016
**Multiplier Events and Closing Conference, March-
 May, 2016**

8 Demonstration workshops were done by each partner's organisation (except in Portugal), at national level with minimum 20 stakeholders from different organizations. The aim of the Demonstration Workshops was to collect stakeholders' feedback on the developed intellectual outputs. These workshops were held in 5 partner countries and attended by the total of 246 stakeholders.

In this workshops partners presented:

- ↪ ENGAGE project; partners the goal, methods, main activities, outputs and results;
- ↪ Benchmarking Compendium Report - the research on the national context, good practices and interviews made by partners;
- ↪ Self-assessment tool – the roles of the partners, the PDCA model being the main point in the Handbook, the 10 CSR principles and their connections with UN Global Compact principles. The presenters demonstrated how the Self-assessment tool works through giving an overview of the stages, steps and specific questions. The participants were able to see how the tool's results/points are generated and to discuss the importance of each section.
